Our Core Values

Accountability  Partnership  Impact-Driven  Excellence

Our Mandate

At ACT Foundation, we seek to promote broad-based participation and partnership with other institutions and/or donor organizations aimed at building sustainable communities and to provide innovative solutions to social, economic and environmental challenges.

ACT Foundation is guided by the guiding principles of communal support that practiced for generations in Africa.
Our Approach

Our desire to make an impact in our world is supported through grant making and capacity building.

1. Fund Management
   a. Grantmaking
   b. Changemakers Innovations Challenge (CIC)
   c. Co-Funding
   d. Sub-Granting

2. Capacity Strengthening Program
   a. ACT Foundation Annual Conference (Breakfast Dialogue)
   b. Social Sector Knowledge Series
   c. Professional Volunteer Program
   d. ACT Foundation Podcast (ACTPod)

3. Research & Advocacy

<tr>
<td>Health intervention is the heart of the foundation’s work and our goal is to facilitate better healthcare services for the vulnerable and marginalized groups in our society. Our health intervention seeks to promote sustainable solutions in the areas of <strong>Malaria, Cancer (Breast, cervical and prostate) and Maternal and Child Health</strong>. We believe that if individuals live healthy lives, they can be empowered to lift themselves out of poverty and be productive members of society.</td>
<td>Our entrepreneurship intervention seeks to support initiatives that improve the lives of individuals and families through income generation and economic empowerment. The focus is hinged on <strong>Vocational Education &amp; Skills Acquisition and Financial Literacy &amp; Inclusion</strong>. This will tackle the rising rate of unemployment and underemployment.</td>
